Experience

Jun 2023 – Nov 2023 / **Assembly Global, London**
(A market-leading global omnichannel media agency founded in the UK)
Paid Search Manager
- Led the end-to-end management and optimisation of Google Ads and Microsoft Ads campaigns for client budgets exceeding £750K/month, delivering data-driven insights that improved campaign performance and resource allocation.
- Automated reporting and created campaign alerts using SQL, reducing data processing time by 30% and enabling faster optimisation cycles.
- Conducted product profitability segmentation, using data to improve ROAS by +28%.
- Delivered actionable campaign performance reports and recommendations to internal and client stakeholders, contributing to +69% MoM and +104% YoY eCommerce conversion growth.

Jun 2020 – Apr 2021 / **SHOPLINE, Hong Kong**
(Top competitor of Shopify - The largest eCommerce solution platform in Asia)
Digital Marketing Specialist (Ad Team, Lead)
- Planned, executed and optimised paid search, paid social and display campaigns to drive B2B lead generation and SaaS growth.
- Led analysis and optimisation of paid marketing channels (Search, Social, Display), increasing client CVR by +67% MoM and +141% YoY.
- Designed reporting and performance frameworks for over 200 SME clients, improving budget allocation and targeting strategies.
- Mentored a team of 3 junior specialists in data-driven campaign analysis and reporting.

May 2018 – Feb 2020 / **Assembly Global, Hong Kong**
Performance Analyst (Jul 2019 – Feb 2020)
- Conducted keyword research, competitor and audience analysis, shaping strategies that improved clients' brand awareness by +98%.
- Developed client-facing reports and insights presentations for performance reviews and new business pitches.
- Applied bid optimisation, segmentation, and remarketing strategies to improve campaign efficiency.

Junior Analyst (May 2018 – Jun 2019)
- Built campaign performance dashboards and trackers using advanced Excel skills, reducing manual reporting effort.
- Executed A/B testing and campaign experiments for ad copy and targeting, improving CTR by +77%.
- Supported campaign execution across Google Ads, Microsoft Ads, and Meta Ads.
